

Flatland – A Romance of Many Dimensions By Edwin A. Abbott

A Math Project

- Read the novel.
- Write a one-page, double-spaced, 12-point font summary of the novel.
- Write a paragraph about how the social relationships have changed since the author wrote this book in 1884.
- Write a description of what you would see traveling through Flatland from your house to my room at school. You may choose your own character.
